Lotus Industrial Group Activities

Lotus Industrial Group is a professional manufacturer of bathroom vanities and cabinets, distinguished by its unique research and design approach. Through continuous innovation, the company has established itself as the leading high-quality manufacturer in the country.

Our product range includes bathroom cabinets, vanities, and mirrors, all crafted from premium PVC and wood materials. We use polyurethane-based coatings, ensuring water resistance and durability against decay. To maintain a safe and eco-friendly environment, both the raw boards and paints used in our production are free from toxic methanol.

Every component, accessory, and hinge used in our cabinets is of the highest quality, undergoing rigorous testing procedures before assembly. These tests include long-term opening and closing cycles, high-stress durability assessments, silent operation checks, and soft-close functionality verification.

About Lotus

For over 19 years, we have been dedicated to manufacturing premium bathroom vanities and cabinets, striving for uncompromising quality and precision in our designs and production.

The diverse and exclusive product range offered by Lotus Industrial Group has positioned us as pioneers in high-quality furniture manufacturing within the country. Our collections feature exceptional designs, spanning from modern to classic styles, crafted with superior raw materials to cater to a wide range of tastes and preferences.
